

EGG TOSS

The St. John's Games have begun and Team Adam Goucher made a huge statement with a 35 point win over Team Dathan Ritzenheim. Mark Harries of Team Goucher taunted the other seniors at the conclusion of the event by proclaiming "We are going to win every event because we are so talented and you all stink!" Harries then beat his bare chest and howled like a wolf. Dobermans cringed within a mile radius of the school, but Preston White simply snarled, spit at the feet of Harries, turned and stalked out of the egg-toss stadium.

Greg Scott and Michael Prisby set a meet record 39 point egg toss. Their longest toss measured 89 yards.
