

# CONFERENCE CHAMPIONSHIP MEET HISTORY

Prior to 1983 the Lake Conference determined its Champion on the basis of dual meet record. Beginning in 1983 the champion was determined on the basis of a single championship meet. Over the last 14 years, most of the current members of the Classic Lake Conference have been together but their conference has had three different names. The Classic Lake was formed in the spring of 1993 in the hope of bringing continuity to our group. In our previous association, schools were being moved in or out (e.g.- Armstrong, Eden Prairie, Osseo, Eagan) on the basis of size or geography.
