

# ALL-TIME STATE MEET SCHOOL RESULTS

In an effort to judge the strength of programs through time, I first compiled this listing in 1976. I've updated them through 2007 and they represent a comparison of all schools that have ever placed in the top five in a Minnesota State Meet (Class AA since 1976). If a team wins the State they get 6 points, second gets them 4, third gets them 3, fourth gets them 2, and fifth gets them 1 point.
